Why Many Don't Save-

Saving money, you will find, is not wholly a Dollars-and-Cents matter. This statement may sound strange, but it is true.

Saving money is, first of all, a Brainand-Backbone matter. And this is just the reason why so many people who make money can't save any of it-they don't think, and have little self control.

Happily, however, there are very few who cannot learn the necessary lessons, if they wi'l.

The time to start is today, and the place-this Bank. We'll help by adding 4 per cent interest, compounded semi-annually.
